

MANGANESE-6%

LIQUID MANGANESE MICRONUTRIENT

For the correction of manganese micronutrient deficiency in field crops, vegetable crops, fruit crops, trees and vines. For soil or foliar application by air, ground and irrigation systems.

0-0-10

Guaranteed Analysis:

Soluble Potash (K₂O) 9.6%

Manganese (Mn) 6.0%

Derived from Dipotassium EDTA and chelated Manganese (Mn)

CAUTION
KEEP OUT OF REACH
OF CHILDREN

Harmful if swallowed. Avoid contact with skin and eyes. Avoid breathing vapors or mist.

PRECAUTIONARY STATEMENTS

Wash hands thoroughly after handling. Wear protective gloves. Avoid breathing mist, spray or fumes. Use only outdoors in a well-ventilated area. Do not store below 32°F. Do not store in direct sunlight. If frozen, warm to room temperature and mix vigorously. Store in a well-ventilated and secured place. Keep container tightly closed. Triple rinse containers, then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by Federal, State, or local authorities. Store this product in stainless steel, fiberglass, polyethylene, or certain other plastic materials. Aluminum and mild steel tanks are not recommended for storage of this product. Check with equipment manufacturer for compatibility of components prior to use of this product. **NOTE:** Do not mix or contaminate any EDTA type chelates with strong acid materials.

First Aid

If Inhaled	<ul style="list-style-type: none"> • Move person to fresh air. • If person requires immediate assistance dial 911.
If on Skin or Clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Immediately rinse skin with plenty of water for 15 minutes.
If in Eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
If Ingested	<ul style="list-style-type: none"> • Clean mouth with water. • Drink plenty of water afterwards.
<p>Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For emergencies dial InfoTrac at 800-535-5053.</p>	

General Use Information

Manganese-6% is a soluble form of manganese used to correct manganese deficiencies in agricultural crops. It is ideally suited for **ground application** and can be mixed

with liquid starter fertilizer at time of application. Manganese-6% is compatible with ortho-phosphate fertilizer, however, we do recommend testing for compatibility prior to tank mixing. **Foliar application** is recommended when fast correction is necessary, or soil application is impractical.

DIRECTIONS FOR USE

Consult your agriculture specialist such as state extension officer prior to making a micronutrient application. Under application and continued deficiency may result in reduced yield, but over application may result in phytotoxicity.

Notice: The use of the this product on any crops other than those recommended by the agriculture specialist may result in serious injury to the crops.

MIXING RECOMMENDATIONS

Soil Application: Apply 1-8 pints of Manganese-6% per acre in starter fertilizer blend. Rate will depend on soil deficiency and should be determined by a professional agronomist

Foliar Application: Typical application is 1-2 pints per acre. A wetting agent is recommended to facilitate complete wetting and improve plant uptake of micronutrient efficiency. Wait at least 2 weeks to apply a second application.

WARRANTY DISCLAIMER

Cameron Chemicals warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
